

James C. Garriott Meeting Grant Application

The James C. Garriott grant was established to encourage chemists at the bench level to present their own research or interesting case studies. In 2010, the Southwestern Association of Toxicologists named the meeting grant in memory of Dr. James C. Garriott and his commitment to encourage the active participation of bench chemists in the organization. The SAT board currently has set the amount of the grant at \$300.00 plus meeting registration and a copy of the most recent edition of Garriott's *Medicolegal Aspects of Alcohol*. The number of grants awarded will be determined by the board, the awarded based on board approval. It may be applied toward the current meeting or one of the subsequent two meetings.

Guidelines for meeting grant:

- SAT Member in good standing
- Presenting at meeting:
 - Title of presentation: _____
 - Annual meeting presenting at (year): _____
